

Poll conducted by Research Co. on Big Money in Vancouver Politics - May 10, 2018

As you may know, the Government of British Columbia has enacted legislation to ban corporate and union donations in local election campaigns, and established a limit of \$1,200 on an individual's donations to a party and its candidates. Do you agree or disagree with this legislation?

As you may now, Vancouver City Council recently approved zoning bylaw amendments that will allow grocery stores in Vancouver to sell alcoholic beverages. Alcoholic beverages will not be in plain view of customers, who will have to go into a separate section of the store for their purchases. Thinking about this, do you support or oppose allowing grocery stores in Vancouver to sell alcoholic beverages?
