Poll conducted by Research Co. on COVID-19 in Canada - April 22, 2022

As you may know, the Government of the United Kingdom has announced a public inquiry into the COVID-19 pandemic. The terms of reference intend to cover preparedness, the public health response, the response in the health care sector and the economic response. All things considered, do you think support or oppose holding a public inquiry into the way the COVID-19 pandemic was managed by these levels of government?
