Poll conducted by Research Co. on the Use of Plastic in British Columbia - February 14, 2024

As you may know, the federal government implemented a ban on single-use plastics, including grocery checkout bags, straws, stir sticks, six-pack rings, plastic cutlery and food takeout containers made from hard-to-recycle plastics. In November 2023, the Federal Court overturned the ban, considering the policy “unreasonable and unconstitutional.” All things considered, do you support or oppose banning single-use plastics in Canada?
